## MEMORANDUM

**DATE:** SEPTEMBER 3, 2025  
**TO:** MAYOR AND COUNCILMEMBERS  
**FROM:** MARISSA ORTIZ, CITY CLERK  
**RE:** CITY BUSINESS LICENSE EXEMPTION THRESHOLD  
UPDATE

In 2018, Washington cities were required to adopt a model ordinance establishing a minimum threshold for business licensing. This included a mandatory definition of “engaging in business” and an exemption for out-of-city or transient businesses that fell below a specified revenue threshold. Cities adopted the initial model threshold by January 1, 2019, with a minimum threshold set at \$2,000 in annual revenue.

After a review and update of the model minimum threshold all cities are now required to adopt the updated threshold no later than January 1, 2026. The main change in the update would make a onetime increase to a higher threshold to \$4,000 for out-of-city businesses from \$2,000 threshold, effective January 1, 2026.

Other changes include:

- Every four years thereafter, the threshold will automatically adjust based on cumulative inflation.
- Inflation will be calculated using the Consumer Price Index – Urban (CPI-U), using data from June of each year.
- The rate of inflation would be calculated as zero in any year in which inflation was negative and capped at 5% per year or 20% over four years if inflation exceeded those amounts.
- To make the threshold easier to administer, the cumulative inflation amount would be rounded to the nearest \$100.

Attached is Ordinance No. 1048-2025 amending the exemption threshold.

**OPTIONS:** 1) Move to approve Ordinance No. 1048-2025 amending CMC 5.04.110(6) exemption threshold. 2) Do not approve 3) Defer action to a later date.

**RECOMMENDATION:** Move to Adopt Ordinance No. 1048-2025 amending section 5.04.110(6) of the Connell Municipal Code to revise the exemption threshold for Business License Requirements.

**CITY OF CONNELL, WASHINGTON**

**ORDINANCE NO. 1048-2025**

**AN ORDINANCE OF THE CITY OF CONNELL, WASHINGTON,  
AMENDING CHAPTER 5.04 OF THE CONNELL MUNICIPAL CODE  
TO UPDATE THE THRESHOLD EXEMPTION FOR OUT-OF-CITY  
BUSINESSES CONDUCTING BUSINESS WITHIN THE CITY.**

**WHEREAS**, pursuant to the Business License Model Ordinance mandated by RCW 35.90.090, CMC 5.04.110(6) sets a business license exemption threshold of \$2,000 for businesses not maintaining a place of business within the City; and

**WHEREAS**, the City Council desires to amend Title 5 of the Connell Municipal Code to conform with guidance from the Department and to comply with the legal requirements in chapter 35.90 RCW; and

**WHEREAS**, Effective January 1, 2026, the Business License Model Ordinance increases the exemption threshold to \$4,000, which increase must be implemented by the City.

**NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF CONNELL, WASHINGTON, do ordain as follows:**

**Section 1.** The following section of Title 5 of the Connell Municipal Code is amended as follows:

**5.04.110 Exemptions**

The provisions of this chapter shall not apply to:

- (1) Any person in respect to insurance business upon which a tax based on gross premiums is paid to the state; provided, however, that the provisions of this subsection shall not exempt any person engaging in the business of representing any insurance company, whether as general or local agent or acting as broker for such companies; and provided further, that the provisions of this subsection shall not exempt any bonding company from tax with respect to the completion of any contract as to which it is a surety, or as to any liability as successor to the liability of the defaulting contractor;
- (2) Any person in respect to his employment in the capacity of an employee or servant as distinguished from that of an independent contractor;
- (3) Any religious society, association or corporation, through the operation of any hospital, clinic, resort or other institution devoted exclusively to the care or healing of human beings;

provided, that no exemption is granted where the income therefrom inures to the benefit of any physician, surgeon, stockholder, or individual by virtue of ownership or control of such hospital, clinic, resort or other institution;

- (4) Any instrumentality of the United States, the state, or political subdivision thereof;
- (5) Any farmer, gardener or other person who shall sell, deliver or peddle any fruits, vegetables, berries, butter, eggs, fish, milk, poultry, meats, or any farm produce or edibles raised, caught, produced or manufactured by such person within the state;

(6) Any person to whom at least three of the following apply:

- (A) The person is under eighteen years of age,
- (B) The business or occupation is part-time,
- (C) The person operates a business with no other employees,
- (D) The person is not required to file a state business and occupations taxation form,
- (E) For purposes of the license, by this chapter, until January 1, 2026 any person or business whose annual value of products, gross proceeds of sales, or gross income of the business in the city is equal to or less than \$2,000 and who does not maintain a place of business within the city, shall submit a business license registration to the Director or designee but are exempt from the business license fee. The fee for such business license registrations shall be \$0. The threshold does not apply to regulatory license requirements or activities that require a specialized permit.

(F) Beginning January 1, 2026, the amount set forth in (E) will be \$4,000. This amount will be adjusted every forty-eight months on January 1, by an amount equal to the increase in the Consumer Price Index ("CPI") for "West Urban, All Urban Consumers" (CPI-U) for each 12-month period ending on June 30 as published by the United States Department of Labor Bureau of Labor Statistics or successor agency. To calculate this adjustment, the current rate will be multiplied by one plus the cumulative four-year (forty-eight months) CPI increase using each 12-month period ending on June 30 of each prior year and rounded to the nearest \$100. However, if any of the annual CPI increases are more than five (5) percent, a five (5) percent increase will be used in computing the annual basis and if any of the annual CPI decreased during the forty-eight month period, a zero (0) percent increase will be used in computing the annual basis.

**Section 2.** This Ordinance shall be in full force and effect five days following its passage and publication in the official newspaper of the City.

**PASSED** by the City Council for the City of Connell, Washington, this \_\_\_\_\_ day of \_\_\_\_\_, 2025; and **APPROVED** by the Mayor this \_\_\_\_\_ day of \_\_\_\_\_, 2025.

## MEMORANDUM

**DATE:** SEPTEMBER 3, 2025

**TO:** CITY COUNCIL

**FROM:** CATHLEEN KOCH, CITY ADMINISTRATOR

**RE: INTERLOCAL AGREEMENT WITH PORT OF WARDEN TO  
RELOCATE CONNELL UTILITIES DUE TO RAILROAD  
PROJECT**

Columbia Basin Railroad, Burlington Northern Santa Fe and the Port of Warden are relocating, reconfiguring, improving and modernizing the rail interchange, specifically the portion of railroad that runs through Connell. Grant funds will cover the cost of such relocation work. The City's engineers, Anderson Perry, will be managing the utility relocation project for the City and the Port of Warden. This agreement ensures that the work will be done entirely with grant funds.

**Recommendation: Approve the Interlocal Agreement with the Port of Warden to relocate Connell utilities.**
